

KADAM CONSOLE

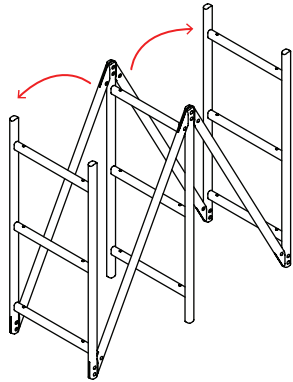

Instructions

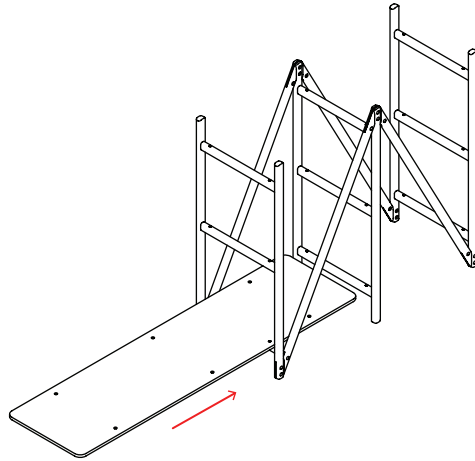

1. Remove the closed Console from the package.

2. Open by pushing outward, the bottom outer legs.

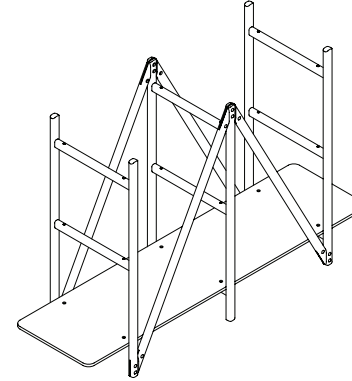

3. Open outward the upper external legs.

4. Slide in the first shelf starting from the bottom position.

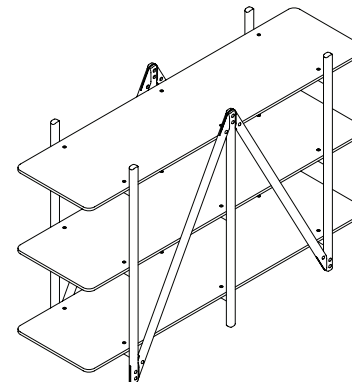

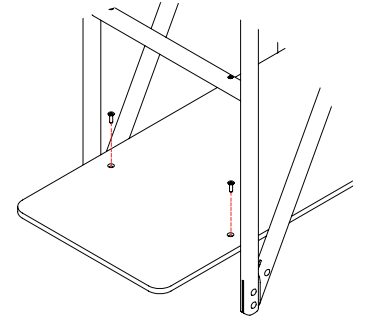

KADAM CONSOLE

Instructions

5. When the shelf is in place, fix the screws in all six holes, loosely.

NOTE: At this step the screws must not be tight.

6. Repeat step 4 and 5 for the top shelves. Then tighten all screws.
